

Stampin' Template - Interlocking Buckle Gatefold

really robin

A fun way to make a gatefold that creates a buckle.

Interlocking Buckle Gatefold

- 5 1/2" x 8 1/2" - card base (scored at 2 1/8" along long edge)
- 1 7/8" x 5 1/4" - DSP, cut 2 for the card base
- 4" x 5 1/4" - Basic White cardstock for inside
- Nesting dies - 2 dies of the same shape that nest together.
- Coordinating cardstock for frame - cut 2
- Basic White for small die - cut 2

Directions

1. Score card base along long edge at 2 1/8". Fold on score line and crease well. Fold the other side in to meet the edge in the center. This creates both doors of the gatefold.
2. Attach the 1 7/8" x 5 1/4" DSP to the doors.
3. Cut the smaller nesting die twice with Basic White cardstock and adhere together. Stamp outside greeting on this shape.
4. Cut the nesting dies at the same time (twice) on the coordinating cardstock color to create the frame. Adhere the two frames together.
5. Stamp inside greeting and attach the 4" x 5 1/4" Basic White on the inside of the card.
6. Decorate and embellish as desired.
