

# Stampin' Template - Inside Out Easel Cards

A totally over the top card where the inside is better than the outside.

## Supplies for Horizontal Version

- 5 1/2" x 8 1/2" card base
- 5 1/2" x 5" card base extension
- 4" x 5 1/4" Basic White for inside back
- 4" x 5 1/4" patterned paper or cardstock for inside front
- 3 1/4" x 5 1/4" patterned paper for outside top flap
- Punched or die cut shapes for inside stand up feature
- Punched or die cut shapes for inside front
- Punched or die cut shapes for outside sentiment
- 2 or 3 coordinating greeting sentiments

## Directions

1. Score card base along long edge at 3/4" and 5". Fold on 3/4" score line in one direction and fold on the 5" score line in both directions.
2. Score card base extension at 3/4". Fold on 3/4" score line in one direction.
3. Punch or die cut shapes or images that you want to stand up at the top of the card when displayed. Arrange these shapes/images along the 3/4" fold on the card base and adhere. Be sure to practice closing the card so that your shapes/images will fit inside the card. If they are too tall they will get folded when closing the card. Apply adhesive also to the 3/4" fold on the card base extension and attach to the card base so that the shapes/images are sandwiched between the two.
4. Attach the 4" x 5 1/4" Basic White cardstock to the inside of the card behind the stand up dies/images (this is where a personal message can be written), and attach the 4" x 5 1/4" patterned paper/cardstock to the inside of the card in front of the stand up dies/images. Decorate the inside message/front with a secondary greeting sentiment.
5. Attach the 3 1/4" x 5 1/4" patterned paper on the outside/front top flap. Punch or die cut a shaped sentiment and attach with dimensionals to raise it up. This sentiment shape should be attached 1"-2" above the edge of the flap, and it will hold the inside card front in place while standing. When the card turns inside out the outside top flap will become the base of the easel card.

# Stampin' Template - Inside Out Easel Cards

A totally over the top card where the inside is better than the outside.

## Basic Supplies for Vertical Version

- 4 1/4" x 11" - card base
- 4 1/4" x 6 1/4" - cardstock for card base extension
- 4" x 5 1/4" Basic White for inside back
- 4" x 5 1/4" patterned paper or cardstock for inside front
- 4" x 4 1/2" patterned paper for outside top flap
- Same punched/die cut shapes/images and greeting sentiments as horizontal version

**Directions:** Follows a similar assembly as the Horizontal Version except score card base along long edge at 3/4" and 6 1/4". Score the card base extension at 3/4".
