

# Stampin' Pattern - 4x6 Mini Card Album

A mailable mini album perfect for someone special.

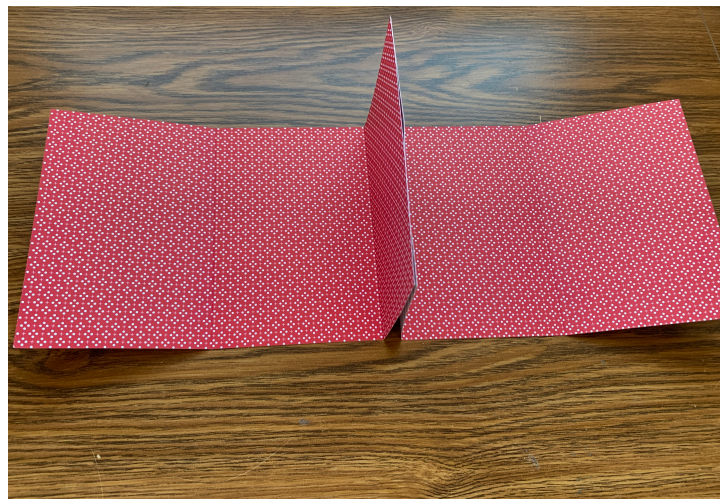

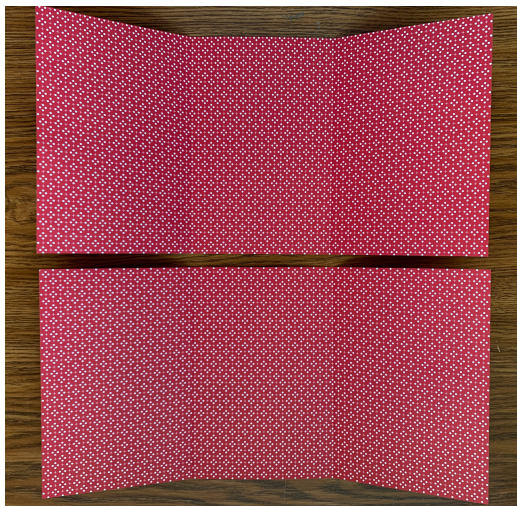

## Supplies Needed

- 1 sheet of 12 x 12 patterned paper (or cardstock)
- 1 - 3 ½" x 4 ¾" cardstock for top loading pocket
- 1 - 3 ½" x 4 ¾" cardstock for side loading pocket
- 2 - 3¼" x 4 ¼" cardstock for matting pictures
- Cardstock & Embellishments for decorating
- Liquid Glue or Tear Tape

## **Step 1**

Score the 12 x 12 paper into thirds at 4" and 8", keeping in mind the orientation of the printed pattern. If there is a definite directionality, you want it to be going in the same direction as your score lines. Turn the paper 90° to the left or right and cut the 12 x 12 paper in half at 6". You will now have 2 - 6" x 12" pieces that are scored every 4". Crease the score lines in both directions to create crisp folds. Place the two 6"x12" pieces of cardstock end to end. This creates six panels.

## **Step 2**

The two middle panels will adhere together on three sides to create a pocket. Add Liquid Glue to 3 sides of one of the panels and glue to the next panel to create a side pocket. (See the black lines)

## **Step 3**

Once the pocket is created then use a punch to create a small indent. The pocket insert will peek out and be easy to pull out.

## **Step 4**

Fold the far left corner to create a diagonal fold over. Add Liquid Glue where you see the black line. Fold far left panel in over the second panel to create a top-loading pocket. Add a bit more adhesive to the tip of the diagonal fold to keep it down.

## Step 5

Add an indent with the Label Me Lovely punch on the far right panel to create a finger pull to open the fold.

## Step 6

Adhere the cardstock picture mattes on the right fold-out and insert the pocket cards

## Step 7

Decorate/embellish the mini album as desired.
