

Stampin' Card Template - A Card Within a Card

Add a card insert inside a card for some interactive fun.

Basic Dimensions

Outside Card base choices:

- 5-1/2" x 8-1/2" scored at 4-1/4"
- 4-1/4" x 11" scored at 5-1/2"

Inside Card base choices:

- 5-1/4 x 8", scored in half at 4" (wide)
- 4" x 10-1/2", scored in half at 5-1/4" (narrow)

Inside Z-Fold measurements:

- 5-1/4 x 8", scored in half at 4", and scored at 2"
- 4" x 10-1/2", scored in half at 5-1/4", and scored at 2-5/8"

Basic Directions: Use a trimmed card base cut either wide or narrow (depending on how you want the insert to open) and adhere it inside a regular card base in the opposite direction that the card base opens. It's really very easy!

Window Card Directions: Add a window feature on the front of the card base that peeks through to the inserted card within a card. This insert can be any kind.

Stepped-Up Directions: Add a window feature on the front of the card base and change up the inserted card base to a Z-fold card that holds the cut out window feature. This design creates a pull-out feature on the inside.
