

Stampin' Template - Easel Cards 3 Ways

A basic card front that comes with its own stand for displaying.

Basic Supplies for Vertical Version

- 4 1/4" x 11" - card base
- 4" x 5 1/4" - cardstock for card front
- 4" x 2" patterned paper
- 2 1/2" x 4" patterned paper
- 2 3/4" x 4 1/4" coordinating cardstock to matte
- 4" x 5 1/4" patterned paper for inside
- Punched or die cut shape for inside sentiment
- Embossing folder of choice
- 2 coordinating greeting sentiments
- Stampin' Dimensionals

Directions

1. Score card base along long edge at 2 3/4" and 5 1/2". Fold on score lines in the same direction and crease well. The front of the card base will have the 2 3/4" score mark in the center.
2. Attach the 4" x 2" piece of patterned paper across the center of the card front piece that measures 4" x 5 1/4". Then use an embossing folder on the piece of cardstock. This will be the base of the card front.
3. Stamp/color/die cut focal image of choice and layer onto a piece of patterned paper. Matte this piece onto coordinating cardstock measuring. Pop up the layered focal point in the center of the card front piece.
4. Attach the finished card front piece to the card base front only on the lower half of the card base as shown.
5. Attach the 4" x 5 1/4" patterned paper to the inside of the card base. Stamp inside greeting sentiment on the punched/die cut shape, apply dimensionals to the back, and adhere to inside of card base approximately 1"- 2" above lower edge of the card. This piece has to be raised by dimensionals so that it will hold the card front in place while standing.
