Use patterned paper to make pocket cards!

Landscape Angled-Fold Pocket Card

- 5-1/2" x 4-1/4" cardstock base
- 3-1/2" x 4-3/4" cardstock for insert
- 4" x 10-1/2" patterned paper, scored at 5-1/4".

Portrait Angled-Fold Pocket Card

- 5-1/2" x 4-1/4" cardstock base
- 3-1/4" x 4-3/4" cardstock for insert
- 4" x 10-1/2" patterned paper, scored at 5-1/4".

Measure 2" from the open edge of the folded patterned paper. Fold between this mark and the folded corner to create an angled-fold on the opening of the pocket. Use liquid adhesive on the two open sides of the paper to close the pocket. Attach the pocket to the cardstock base for stability. Use a dimensional under the angled flap to secure and add depth.

Trifold Pocket Card

- 5-1/2" x 4-1/4" cardstock base
- 5-1/4" x 12" patterned paper, scored at 4" & 8".
- 3-1/2" x 4-3/4" cardstock for insert

Trifold Crisscross Pocket Card

- 5-1/2" x 4-1/4" cardstock base
- 5-1/4" x 12" patterned paper, scored at 4" & 8".
- 3-1/2" x 4-3/4" cardstock for insert

For the Trifold Pocket: Once the patterned paper is scored, cut a diagonal line in the right side panel from the upper score line to the outer corner to create the pocket.

For the Crisscross Trifold Pocket: Once the patterned paper is scored, cut a diagonal line in the right and left side panels from upper score line to outer corner to create the pocket.
