

# Inspiration Sheet - One Sheet Wonder #1 for 12 x 12

Create 8 quick cards using this pattern.

## Supplies Needed

- 1 sheet of 12 x 12 double-sided paper with coordinating patterns on the two sides.
- 8 card bases in a coordinating cardstock color (5 1/2" x 8 1/2" each). 4 sheets of cardstock.
- Scraps of White cardstock to punch or die cut greetings
- Optional - another coordinating card stock to matte greeting images.
- Ribbon or embellishments of choice

## Tips

Use a piece of double-sided patterned paper (Designer Series Paper -DSP) that has a colorful pattern with multiple colors and an opposite side that coordinates with it. If one side is striped, make sure the strips are going vertically when you cut the paper. For the diagonal split card #5 you can use a strip of white cardstock measuring 1" x 5 1/2" to cover this space between the patterned paper. Line the paper up on gap and using a ruler and a pencil mark and cut where you need to trim the white strip to fit.
