5. Punch a 1/8" hole 1" from each edge of the folded bag under the 3" score line to create the places for the handles.
6. Insert the 2 ends of the each ribbon piece into the holes on each side of the bag from the outside to the inside and tape down inside the bag with regular scotch tape.

7. Add Tear Tape along the inside edge of the top bag flap and adhere over the ribbon ends to secure.
8. Apply Tear Tape along the single 1/2" flap on the outside of the bag, and to the 2 bottom flaps of the bag on the outside.

9. Fold the side flap to the inside and attach to the double flap on the opposite side making sure the double flap is already folded back to make the W indent side.
