Project #2 - Paper Scraps & Faux Quilting

Supplies

- 5-1/2" x 8-1/2" cardstock
- 4" x 4" cardstock
- 1" x 4" DSP (4 different designs)
- 1-1/4" x 4" coordinating cardstock
- Small stitched shape, die cut, or punch
- Embossing Folders with small patterns

Directions

1. On the 4" x 4" piece of cardstock mark 1", 2", 3" across the top and one side. This will help in adhering the strips straight.
2. With adhesive only on the end of the strip, adhere one of the 1" x 4" strips vertically between the 1" and 2" marks along the top. Do the same thing to another strip between the 2' and 3" mark.
3. Again with adhesive only on the end of the strip, adhere another one of the 1" x 4" strips horizontally between the 1" and 2" marks along the side. Do the same thing to another strip between the 2' and 3" mark.
4. Weave the four strips together and then adhere the opposite ends to the opposite sides.
5. Optional: dry emboss the 4" x 4" piece with woven strips in an embossing folder to faux quilt it.
6. Attach the quilted piece to the top of a card front.
7. Adhere the 1-1/4" x 4" coordinating cardstock piece underneath the quilted piece on the card front.
8. Stamp a greeting on the focal point (small stitched shape) and pop-up onto to the card front. A great placement of this piece is overlapping the quilted piece and the coordinated cardstock piece.
9. Add any embellishments.

Project #3 - One Sheet Wonder for 12 x 12 Designer Series Paper

Supplies

- 5-1/2" x 8-1/2" cardstock (12)
- 4" x 5-1/4" coordinating cardstock (12)
- 2-1/8" x 5-1/4" coordinating cardstock (12)
- Basic White cardstock for small stitched shape, die cut, or punch for sentiment (12)
- 1 piece of 12 x 12 double-sided patterned paper with coordinating sides
- Embellishments of choice

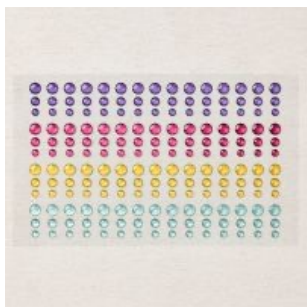

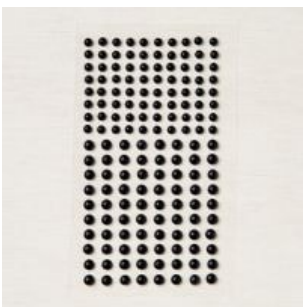

Directions

1. Depending on the direction of the pattern on the paper and the orientation of your card, measure and make your first cut at 5-1/4". Make the second cut measuring again at 5-1/4".
2. Cut the 5-1/4" x 12 pieces every 2 inches to give you 12 pieces that measure 2" x 5-1/4".
3. Cut the remaining piece of patterned paper into 1/2" x 12" strips - there will be 3 strips.
4. Cut each strip every 3" - there will be 12, 1/2" x 3" pieces.
5. Adhere the 2" x 5-1/4" pieces to the 2-1/8" x 5-1/4" cardstock pieces. Attach these to the 4" x 5-1/4" pieces of cardstock about 1/2" from one of the sides (Optional: use an embossing folder on the 4" x 5-1/4" cardstock first).
6. Adhere the 1/2" x 3" strip perpendicular to the 2" x 5-1/4" piece and even with the edge of the 4" x 5-1/4" piece. It should be somewhat centered over the 2" piece. Depending on the size of the greeting piece you are going to use you can place this small strip 1" to 1-1/2" from the bottom or top of the card front. (Think in thirds for perfect placement.)
7. Pop up the greeting sentiment and adhere over the 1/2" x 3" strip .
8. Add embellishments.
