

# Inspiration Sheet - Stamped One Sheet Wonder Templates

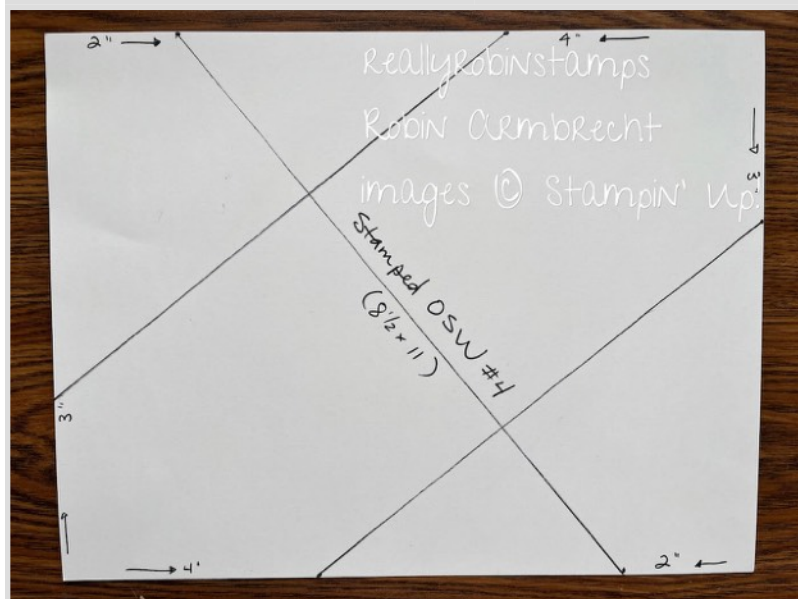

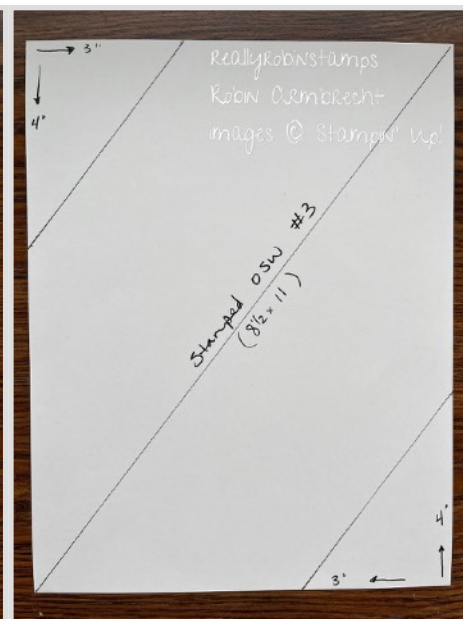

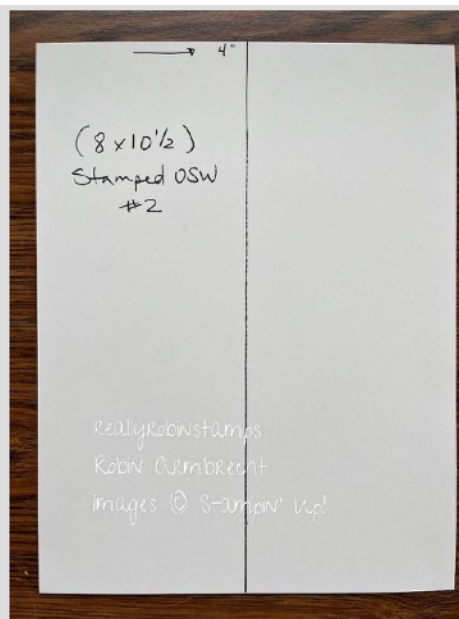

Creating multiple cards with one sheet of stamped wonderfulness!

## Supplies

- 11" x 8-1/2" Basic White cardstock
- 5-1/2" x 8-1/2" cardstock bases
- 4" x 5-1/4" coordinating cardstock
  - or other size depending on Cutting Template
- Scraps for focal points
- Embellishments
- Embossing Folder
- 

## Choose Your Stamping Template

Each template produces an amazing stamped sheet to cut into pieces for focal points on card fronts. The lines drawn on the cardstock represent where you do the stamping. Cluster the images as close together as possible. Once all the stamping is finished, cut up the sheet using one of the cutting templates on the next page.

**Note:** Stamping Templates 1 & 2 start with 8" x 10-1/2" (already trimmed) so you will have to adjust the cutting measurements accordingly. Or you can easily start with 8-1/2" x 11" and trim later.

## Choose Your Cutting Template

Each cutting template makes easy to work with pieces for card fronts. The lines drawn represent where you make the cuts. Once the pieces are cut then mount them on a piece of coordinating cardstock sized 1/4" larger (on each measurement) to create a finished layer. OR you can trim the stamped pieces and cut the coordinating cardstock the sizes shown.
