**DSP #4:** Choose a coordinating subtle pattern.

## Directions

1. Optional: Stamp a background image on the 4" x 5-1/4" piece of cardstock or use an embossing folder. Attach to card base.
2. Attach the 1-1/2" x 4" DSP #1 piece horizontally across the 4" x 5-1/4" piece of cardstock and centered in the middle top and bottom.
3. Adhere the 2" x 4-3/4" DSP #2 piece along the right edge of the card front leaving a 1/4" margin to the edge of the 4" x 5-1/4" piece of cardstock.
4. Attach the 2" x 3-3/4" DSP #3 piece overlapping piece #2 by 1" and centered top and bottom. The distance between the left edge of piece #3 and the right edge of piece #2 should measure 3".
5. Attach the 2-1/2" x 2-1/2" DSP #4 piece centered between the left and right edges of pieces #1 & #2 and centered over piece #1. It will be slightly right of the true center of the card front.
6. Create a focal point to attach to piece #4 and embellish as desired.
