

Inspiration Sheet - Pumpkin Treat Boxes

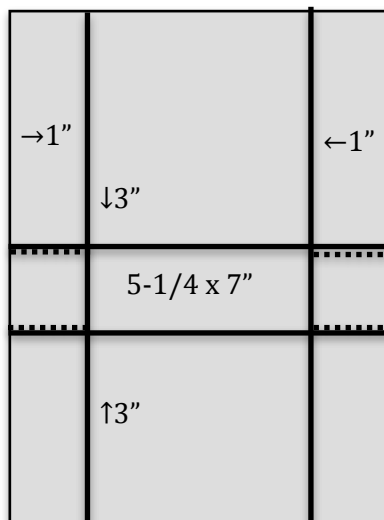

Create angular pumpkins using the Countryside Corners Dies.

Countryside Corners Pumpkin Treat Boxes in 4 Sizes

Die Number	Card stock Dimensions	Score Lines	Finished Box Size (L x H x W)
1	5-1/4" x 7"	1" & 3"	3-1/4" x 3" x 1"
2	5" x 6"	1" & 2-1/2"	3" x 2-1/2" x 1"
3	4-3/4" x 5"	1" & 2"	2-3/4" x 1-3/4" x 1"
4	4-1/2" x 4"	1" & 1-1/2"	2-1/2" x 1-1/2" x 1"

Create each box size the same way. Score 1" from each edge along the shorter side of the rectangle. Score along the longer side of the rectangle using the corresponding measurements for each die size.

Once scored, cut the score lines as shown by the dotted lines to create the small flaps that the sides get adhered to.
