Inspiration Sheet - Two Panoramic Fun Folds

These fun folds stand up to display a scene created with paper or images.

Panoramic Z Fold

Supplies

- 5-1/2" x 8-1/2" cardstock for card base
- 6 x 6 piece of Designer Series Paper with a scene
- 2" x 5-1/4" Basic White cardstock for the inside

Optional Layers
- 2-3/4" x 5-1/4" cardstock to support the front panel
- 1" x 5-1/4" coordinating cardstock for the front

Directions

1. Score along the 8-1/2" side of the 5-1/2" x 8-1/2" cardstock at 1-1/2", and 4-1/4"from the left side. Fold in half on the 4-1/4" score line then fold back on the 1-1/2" score line to create the Z fold. (see Picture A)
2. Cut off 3/4" from either the top or bottom of the 6 x 6 DSP so that it measures 6" horizontally and 5-1/4" vertically. (You can save this piece and use it in step 9 or make it part of your focal point) Choose the top/bottom based on the scene in your DSP and what you want to show on your card. (See Picture B)
3. Measuring from left to right cut the 6" x 5-1/4" piece of DSP at 2-3/4" and 1-1/4". The remaining piece will measure 2". You will now have your scene cut into 3 strips: 2-3/4" x 5-1/4", 1-1/4" x 5-1/4", and 2" x 5-1/4".
4. Optional Step - mount the 2-3/4" x 5-3/4" piece of DSP onto cardstock to make it sturdier.
5. With the card closed and the front Z-flap folded back, attach the 2-3/4" x 5-1/4" piece of DSP to the front flap leaving an 1/8" border all around the card base. (Picture C)
6. Open the card and fold the Z flap flat. Attach the 1-1/4" x 5-1/4" piece of DSP to the inside butting it up against the first piece and leaving an 1/8" border to the card fold. (Picture D)
7. Attach the 2" x 5-1/4" piece of DSP to the other side of the fold inside the card leaving an 1/8" border. (Picture E)
8. Stamp, and/or decorate the 2" x 5-1/4" piece of Basic White and adhere to the inside of the card butting up against the DSP. Make sure this piece doesn't show when the card is closed.
9. Optional step - attach a piece of coordinating cardstock (or the 3/4" piece of DSP you cut off the 6 x 6 piece in step 2) to the card front along the fold of the card. (Picture F)
10. Create a focal point greeting for the outside of the card and pop up onto the Z flap.

Panoramic Double Gate Fold
Supplies
- 5-1/2" x 10-3/4" cardstock for card base
- 6 x 6 piece of Designer Series Paper with a scene
- 4" x 5-1/4" Basic White cardstock
- 2-1/4" x 3-3/4" Basic White for focal point
- 2-1/2" x 4" cardstock matte for focal point
- 3-3/4" x 5" Basic White for inside of card

Optional Layers - Cut your 6x6 piece to 5-1/8" instead of 5-1/4"
- 3-7/8" x 5-1/8" DSP for left panel with 4" x 5- 1/4" cardstock matte
- 1-1/4" x 5-1/8" DSP for right panel with 1-3/8 x 5-1/4" cardstock matte

Directions
1. Score along the 10-3/4" side of the 5-1/2" x 10-3/4" cardstock at 1-5/8", 3-1/4", 7-1/2", and 9-1/8" from the left side. Fold on the score lines to create the double gate fold. (see Picture A)
2. Cut off 3/4" from either the top or bottom of the 6 x 6 DSP so that it measures 6" horizontally and 5-1/4" vertically. Choose the top/bottom based on the scene in your DSP and what you want to show on your card. (See Picture B)
3. Measuring from left to right cut the 6" x 5-1/4" piece of DSP at 4" and 1-3/8". The remaining piece will measure 5/8" and is extra. You will now have your scene cut into 2 strips: 4" x 5-1/4", 1-3/8" x 5-1/4".
4. Adhere the 4" x 5-1/4" piece of DSP to the Basic White cardstock of the same size. Attach this to the left gate fold leaving an 1/8" of the card base showing about the left edge. (Picture C)
5. Adhere the 1-3/8 x 5-1/4" piece of DSP to the right gate fold leaving 1/8" around the edge of the card base. (Picture D)
6. Stamp, and/or decorate the 2-1/4" x 3-3/4" piece of Basic White focal point and layer onto the cardstock matte. Pop up and attach this focal point to the right gate fold using dimensionals along the edge of the DSP. When the two gate folds are closed on the card the layered focal point piece is right in the middle of the card front. (Picture E)
7. Stamp, and/or decorate the 3-3/4" x 5" piece of Basic White and adhere to the inside of the card. Use some of the leftover strips to decorate one of the edges.
