

Inspiration Sheet - One, Two, Three, Z - Fold

This fun fold combines a book-binding feature with z-fold feature!

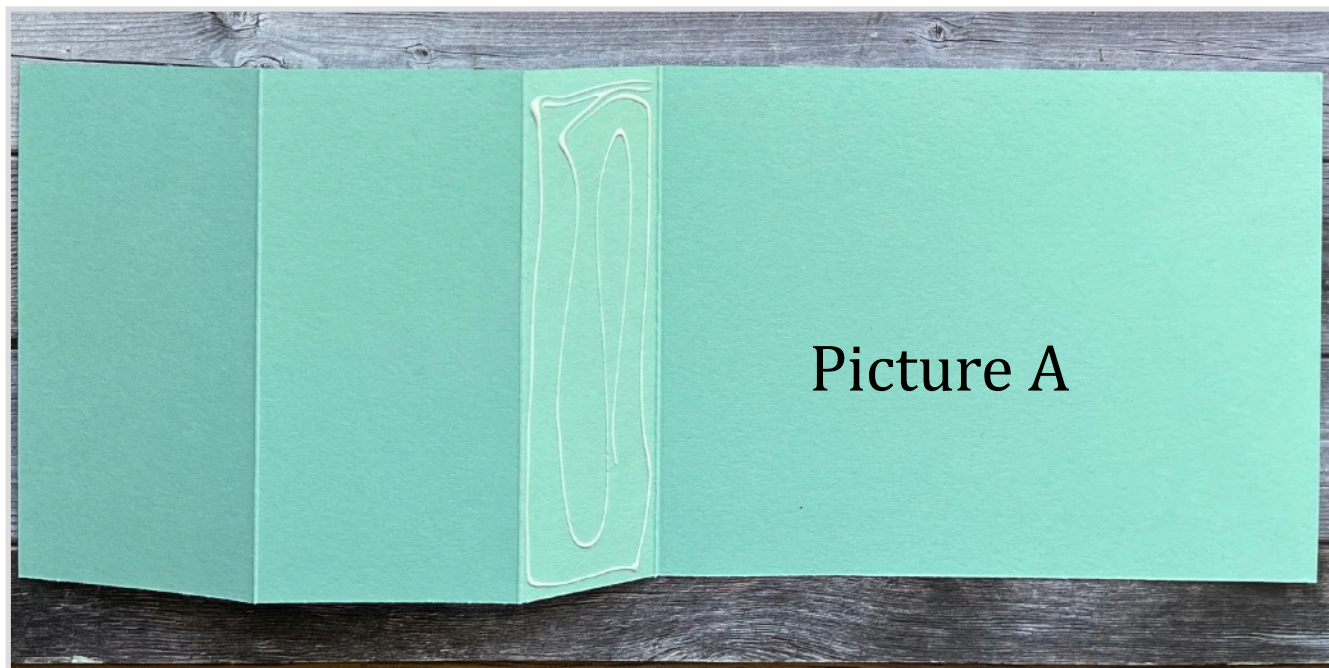

Supplies

- 4-1/4" x 11" cardstock for card base
- 4-1/4" x 3-1/4" cardstock for card front
- 1" x 4" Designer Series Paper pattern #1
- 2" x 4" Designer Series Paper pattern #2
- 3" x 4" Designer Series Paper pattern #3
- 2" x 4" Basic White cardstock for inside
- 2" x 4" Designer Series Paper pattern #4 (optional)

Directions

1. Score along the 11" side of the 4-1/4" x 11" cardstock at 2-1/8", 4-1/4" and 5-1/2" from the left side. Fold in half on the 5-1/2" score line then fold back on the 4-1/4" and 2-1/8" score lines to create the book binding feature and the Z-fold. (see Picture A)
2. Create the book-binding feature first. Add adhesive to the space between the 5-1/2" and 4-1/4" score lines and adhere to the inside of the card. (See Picture A)
3. Attach the 1" x 4" piece of DSP on the outside left edge along the book-binding feature. (Pic. B)
4. Attach the 2" x 4" piece of DSP on the right edge of the inside of the card. (Pic. B)
5. Attach the 3" x 4" piece of DSP onto the 4-1/4" x 3-1/4" piece of cardstock. (Pic. B)
6. Fold back the Z-fold feature and add adhesive to top panel. Center the 3-1/4" x 4-1/4" layered cardstock piece over the adhesive and mount to z-fold feature. (Pic C) Note: This cardstock piece is centered over the z-fold, NOT the card front. It will be offset on the card front so that you see less of the left DSP and more of the right DSP.
7. Attach the 2" x 4" piece of Basic White in the inside butting up next to the 2" x 4" piece of DSP.
8. Optional: Use a 2" x 4" 4th DSP pattern on the inside under the z-fold.
9. Add a focal point/sentiment to the front cardstock piece overlapping the open edge. Ta-da!

Inspiration Sheet - One, Two, Three, Z - Fold

This fun fold combines a book-binding feature with z-fold feature!

Options

- Add extra layers of cardstock under the DSP. Cut the cardstock 1/8" larger than the DSP pieces.
- Make the cardstock piece that attaches to the Z-Fold a 4-1/4" square. (DSP 4"x4")
