

Stampin' Inspiration - Mini-Blinds Template #22

Supplies

- 4 1/4" x 11" cardstock card base
- 3 1/4" x 5-1/2" coordinating cardstock
- 1" x 3" DSP #1
- 1" x 3" DSP #2
- 1" x 3" DSP #3
- 1" x 3" DSP #4
- 1" x 3" DSP #5
- Focal point piece/accent*
- Die-cut/punched shape for greeting**
- 3 embellishments

*the focal point piece can be ANY size or shape to layer over a few of the DSP strips.

Mini-Blinds - Choices and Options

- Choose five different and coordinating patterns from the same package of DSP.
- Choose one scenic pattern piece and cut into five pieces (start with a piece measuring 5" x 3")
- Use the same pattern for all five pieces.
- Use a neutral cardstock color measuring 5" x 3", and stamp a background, collage, or use an embossing folder. Then cut apart into the 1" pieces.

Directions

1. Arrange the 1" x 3" pieces of DSP centered horizontally on the 3 1/4" x 5-1/2" piece of coordinating cardstock so that there is 1/8" in between the strips, and 1/8" margin on the left and right edges. Attach the top and bottom pieces first meeting the edges, then the next closest pieces leaving the 1/8" in between leaving the center strip for last.. Attach this piece to the center of the card front. There will be 1/2" on each side and the top and bottom will meet the edges exactly.
2. Attach the focal point/accent that will overlap at least 2 of the DSP strips anywhere on the card front. Add the die-cut/punched greeting piece near or overlapping the focal point.
3. Add embellishments.
