

## Stampin' Inspiration - Against All Edges Template #24

### Supplies

- 5 1/2" x 8-1/2" cardstock
- 3 1/2" x 3-1/2" coordinating cardstock or DSP #1
- 3 1/2" x 2-1/2" DSP #2
- 1" x 5-1/2" DSP #3
- 2-3/4" x 1/2" DSP #4 (or ribbon)
- 4-1/4" x 5-1/2" DSP #5
- Large font greeting image
- 3 embellishments

### Choices and Options

- Choose five different and coordinating patterns from the same package of DSP.
- DSP #1 can be DSP or a coordinating cardstock color. Either way, emboss this with an embossing folder.
- DSP #2 should be plain and able to stamp a bold greeting OR be a similar-sized die cut.

### Directions

1. Attach DSP #5 to the entire front of the card base. (Optional)
2. Attach the 1" x 5-1/2" piece of DSP #3 1/4" from the fold of the card front.
3. Emboss the 3-1/2" square of DSP#1 or cardstock and attach along the right-hand edge of the card front centered vertically with a 1" space on top and bottom.
4. Stamp a large font greeting (or create a focal point) on DSP #2 Pop-up and attach along the left-hand edge of the card front centered vertically with a 1-1/2" space on top and bottom.
5. Angle the ends and add DSP #4 under to bottom right edge of DSP #2 and sticking out 1/2"
6. Add embellishments.
