Ideas for Using Pocket Thoughts in Cardmaking

Small Pocket Die

- An accent pocket added to a card front or focal point cluster
- Stuff with a small tag & greeting or overfill with foliage & flowers.
- Add a bottom and sides to two pockets to create a box!

Medium Pocket Die

- Perfectly sized to fit a standard gift card 2-1/8" x 3-3/8".
 - Attach one anywhere on a card - inside or outside to hold a gift card.
- Make a stand-alone gift card holder. Use 2 medium pocket dies attached together to create a stand-alone gift card holder. Cut off the attachment edges on one of the dies before adhering together..
- Make a gift card holder that inserts directly into the fold inside a card.
- Add a bottom and sides to two pockets to create a box!

Large Pocket Die

- Sized to fit on the front or inside of a standard card measuring 4-1/4" x 5-1/2".
- Make a pocket that inserts directly into the fold inside a card.
- Create a clear pocket with window sheets or vellum for a pocket on a gift bag (or front of a card).
 - A standard notecard-sized card will fit into the pocket!
- Add a bottom and sides to two pockets to create a box!
