

Inspiration Sheet – One Sheet Wonder #5 (for 6" x 6" DSP)

Makes 4 Notecards (Papercrafting Playdate 143)

Take note of the pattern designs on both sides of the paper and determine if any of the patterns have a definite direction. If so, like the apple pattern shown, have the pattern going vertically while cutting.

Supplies Needed

- 4 notecard bases (5-1/2" x 8-1/2", scored at 4-1/4")
- 4 – envelopes (A2 size)
- 6" x 6" piece of double-sided patterned paper with coordinating sides
- 4 punched or die cut sentiments for card fronts
- Embellishments of choice

Inspiration Sheet – One Sheet Wonder #5 (for 6”x6” DSP)

Makes 4 Notecards (Papercrafting Playdate 143)

Directions

1. Measure and cut in half at 3” from top bottom of the 6 “x 6” DSP first. Take the left half, rotate 90°, and cut at 3”. Take the right half, rotate 90°, and cut at 4-1/2”. You now have four pieces.
2. Next, make the measurements and cuts that are inside each of the four pieces.
 1. For the first 3” square: measure 1” down from top right corner and 1” across from bottom left corner and cut diagonally between the two marks.
 2. For the second 3” square: Cut 3 strips that are 1/2” x 3” each leaving a 1-1/2”x 3” piece.
 3. For the large rectangle: measure and cut at 2-1/2” (along the 3” side) making a 2-1/2” x 4-1/2” piece and a 1” x 4-1/2”.
 4. The last piece has no cutting.
3. As you cut you will sort the pieces into piles according to the number of the card they belong to. When you begin to assemble the card fronts you will flip one or more of the pieces created to the opposite pattern.
4. Arrange and attach the pieces fronts of the notecards. Add a punched or die cut focal point with sentiment. Embellish as desired.

Inspiration Sheet – One Sheet Wonder #5 (for 6”x6” DSP)

Makes 4 Notecards (Papercrafting Playdate 143)

Alternative 6 x 6 One Sheet Wonder for Notecards (Linda Dalke’s Design)

Directions:

1. Cut the 6 x 6 piece in half at 3” from top to bottom. Cut one of the pieces in half at 3” Cut the other piece at 1-1/2”. Now you have 4 chunks of DSP to create layouts on 4 card fronts.
2. Cut the 3” x 3” square in half (offset) diagonally cutting from 1/2” below the top right corner to the 1/2” above the lower left corner.
3. Cut the other 3” square into quarters. Each will make a 1-1/2” square.
4. Cut the 1-1/2” x 3” rectangle into 1/2” strips.
5. Cut the 3” x 4-1/2” rectangle in half first at 2-1/4”. Then cut each of the halves in half in an offset diagonal.
6. Attach to notecard fronts as shown.

Additional Cardstock Pieces

- 3” x 4-1/2”
- 3-1/4” x 3-1/4”
- 3-1/4” x 5”
- 2-1/4” x 3-1/2”
