

Inspiration Sheet – Pop Out Gatefold Cards

Three ways to make a basic gatefold card “pop”! (Papercrafting Playdate 152)

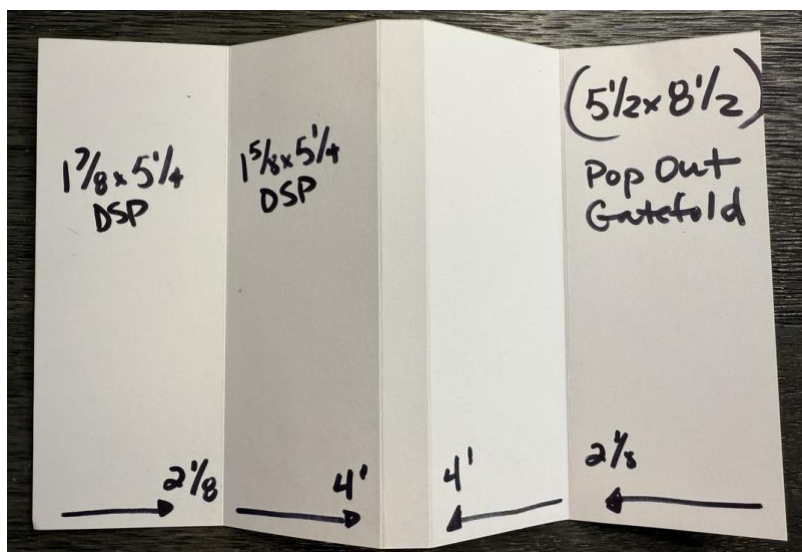

Pop Out Gatefold Portrait Version

- 5-1/2" x 8-1/2" cardstock for card base
- 5-1/4" x 1-7/8" DSP (4)
- 5-1/4" x 1-5/8" DSP (2)
- 5-1/4" x 3/8" DSP (optional for center spine)
- 4" x 4" Basic White cardstock
- 5-1/4" x 1-5/8" Basic White cardstock (2)
- Two focal point shapes to make tuck closure on gatefolds
- Pop Out feature no larger than 4" x 5-1/4"

Directions

1. Score at 2-1/8", and 4" in from both sides along the 8-1/2" edge.
2. Fold on the 2-1/8" score lines toward the inside of the card to create the gates.
3. Fold on the 4" score lines toward the back of the card to create a center spine in the middle of the inside.
4. Attach the DSP/cardstock pieces to front and inside sections.
5. Attach the inside pop out feature along the 1/2" spine.
6. Attach and overlap the two focal point shapes into a tuck closure to keep the gatefolds closed.

Inspiration Sheet – Pop Out Gatefold Cards

Three ways to make a basic gatefold card “pop”! (Papercrafting Playdate 152)

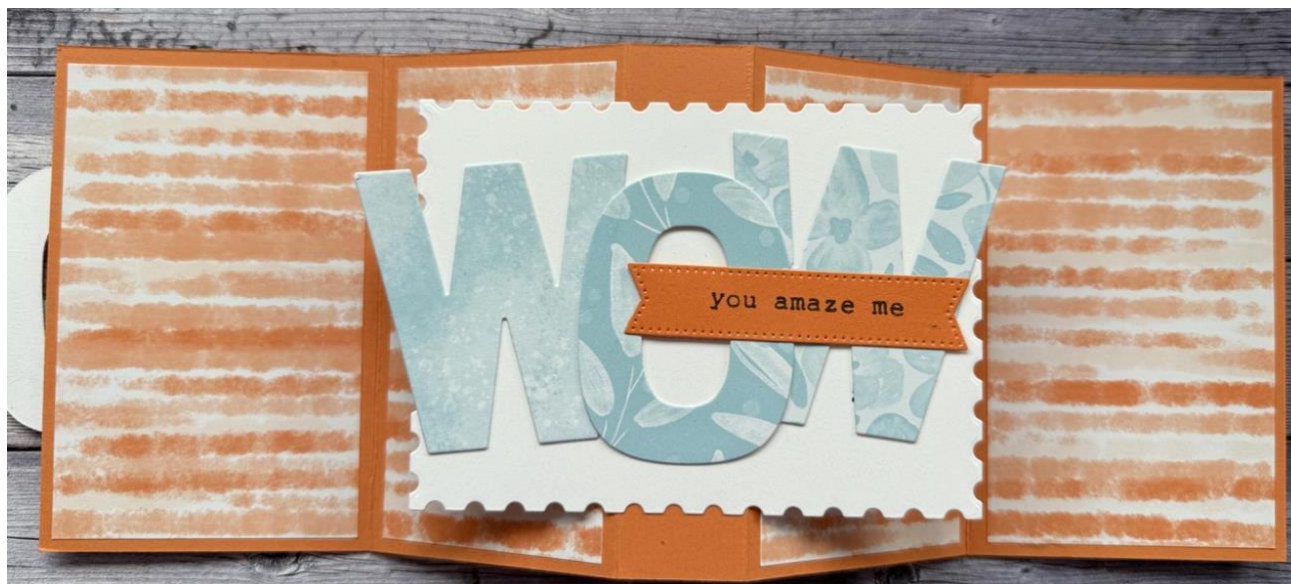

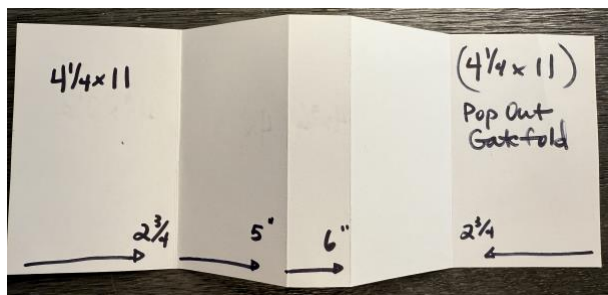

Pop Out Gatefold Landscape Version

- 4-1/4" x 11" cardstock for card base
- 4" x 2" DSP (2) (optional 2 more for back side)
- 4" x 2-1/2" DSP (4) (2 for outside, 2 for inside)
- 4" x 3/4" for spine
- 4" x 4" Basic White cardstock
- Two focal point shapes to make tuck closure on gatefolds
- Pop Out feature no larger than 4" x 5-1/4"

Directions

1. Score at 2-3/4", and 5" in from both sides along the 11" edge.
2. Fold on the 2-3/4" score lines toward the inside of the card to create the gates.
3. Fold on the 5" score lines toward the back of the card to create a center spine in the middle of the inside.
4. Attach the DSP/cardstock pieces to front and inside sections.
5. Attach the inside pop out feature along the 1" spine.
6. Attach and overlap the two focal point shapes into a tuck closure to keep the gatefolds closed.

Inspiration Sheet – Pop Out Gatefold Cards

Three ways to make a basic gatefold card “pop”! (Papercrafting Playdate 152)

Pop Out Gatefold Portrait Split Version

- 5-1/2" x 8" cardstock for card base
- 5-3/8" x 1-7/8" DSP or cardstock (4) (2 for outside, 2 for inside)
- 1-1/8" x 1-7/8" DSP (4)
- 7/8" x 2-7/8" DSP (2)
- 2-7/8" x 1-7/8" (2) for center and back
- Two focal point shapes to make tuck closure on gatefolds

Directions

1. Score at 2" from both sides along the 8" edge.
2. Turn and cut a 1-1/4" slit from the top and bottom edges between the two 2" score lines.
3. Turn back and score at 4" on the top and bottom sections.
4. Score the middle section at 3" from each side.
5. Attach the DSP pieces to the sections on the inside and outside of card.
6. Create an inside focal point on the 2-7/8" x 1-7/8" piece.
7. Attach and overlap the two focal point shapes into a tuck closure to keep the gatefolds closed.
