

# Stampin' Inspiration - 4 Coordinating Pieces Template #32

## **Supplies**

- 5 1/2" x 8 1/2" card base
- 2-1/2" x 5-1/4" DSP #1
- 3/4" x 4" DSP #2
- 1-1/2" x 3-1/2" DSP #3
- 2-1/2" x 2-1/2" DSP #4
- Focal Point Basic White any size or shape
- Ribbon or embellishments

**DSP #1:** This piece should be the one with all the colors and the busiest pattern.

**DSP #2:** Choose a pattern that has coordinating colors. Stripes are fun.

**DSP #3:** Choose a coordinating subtle pattern.

**DSP #4:** Choose a piece with a tone on tone design and subtle pattern.

## **Directions**

1. Attach DSP #2 along the left folded edge of the card base about 1/4" from the fold and centered evening between the top and bottom edges. There will be 3/4" space from the top and bottom.
2. Attach DSP #1 vertically over DSP #2 by 1/4" so that 1/2" still shows. DSP #1 will be centered top and bottom.
3. Attach DSP #3 horizontally over DSP #1 leaving a 1/4" margin to the right edge of the card front.
4. Attach DSP #4 centered top and bottom over DSP #3. This piece will be offset over DSP #3 & #1 to the right. Leave 1/4" of DSP #3 showing on the right.
5. Create a focal point to attach to piece #4 and embellish as desired.
