

# Inspiration Sheet - 4 x 6 Mini Album Version 2

Use one sheet of 12 x 12 DSP to create a 4 x 6 album. Papercrafting Playdate 176

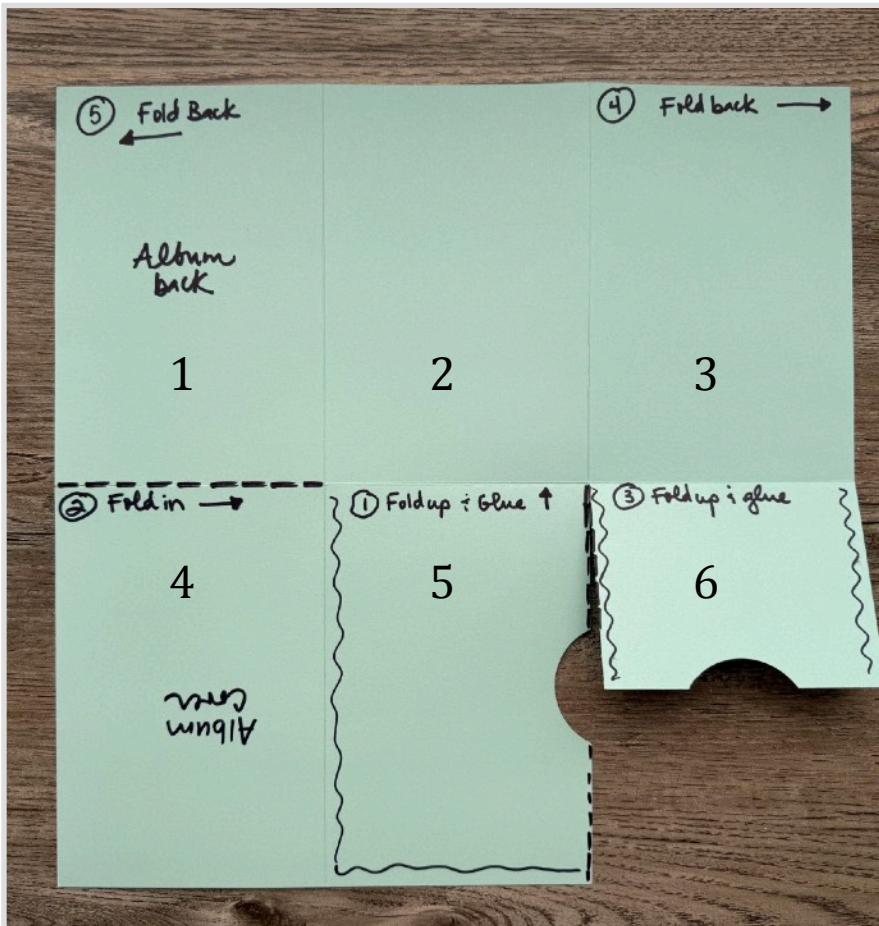

## Supplies

- 12" x 12" DSP or Two Tone cardstock
- 3-1/2" x 5-1/2" DSP (4) inside page covers
- 3-1/2" x 5-1/2" Basic White for side pocket insert
- 3/4" x 5-1/2" DSP trim for pocket insert
- 3" x 5" cardstock tag
- 3-1/2" x 5-1/2" DSP for front & back covers

## Directions

1. If using pattern paper, start scoring with the side (pattern) you want on the outside of the album facing you.
2. Score the 12 x 12 piece of at 4" and 8". Turn the paper to the right and score at 6". You might want to label each section with a sticky note.
3. Cut on the score line between sections 1 and 4.
4. Cut on the score line between sections 5 and 6
5. Cut off 3" of section 6.
6. Use a circle punch to punch a small finger pull hole for the two pockets. (See photo)
7. Follow the numbers and directions on the photos to finish folding and adhering the sections together.
