

# Stampin' Inspiration - Card Template #37

(Papercrafting Playdate 180)

## **Measurements**

- 5-1/2" x 8-1/2" card base
- 4-1/2" x 1-1/4" DSP #1
- 1/2" x 5-1/2" DSP #2
- 2-1/2" x 3-1/2" DSP #3
- 2-3/4" x 3-3/4" cardstock
- 10" ribbon
- Focal point punch/die cut for the greeting.

Choose DSP patterns that coordinate and contrast with each other. One of the pieces should have multiple colors that ties the other pieces together.

X = embellishments

## **Directions**

1. Attach DSP #2, 1" from the bottom edge of card.
2. Attach DSP #1 centered and up against DSP #2.
3. Attach DSP #3 to the coordinating cardstock and adhere over the first two DSPs and slightly off-centered to the right about 3/4" from the right edge.
4. Fold ribbon into thirds and attach to DSP #3 under where the focal point greeting adheres.
5. Pop up the greeting over the ribbon.
6. Add embellishments.
