

Inspiration Sheet - Flap Cards

Card Cousins with similar features in common. (Papercrafting Playdate 181 on June 19th, 2026)

Triple Interlocking Gatefold Card

- 5-1/2" x 8-1/2" cardstock base
- 5-1/4" x 4" coordinating cardstock color
- 3-3/4" x 1-1/2" (cut 2) DSP #1
- 3-3/4" x 1-1/2" (cut 1) DSP #2
- 5-1/4" x 4" Basic White for inside

Directions

1. Score the card base at 2-1/8" from each side along the long edge. Fold on one score line towards the inside and crease, then fold the other side to meet in the middle. This makes a gatefold card.
2. Cut the 5-1/4" x 4" piece of coordinating cardstock into (3) 1-3/8" pieces. Attach the flaps onto the gates leaving 1/8" border around the outside to see the card base. Attach the top and bottom flaps to the left gate and the middle flap to the right gate.
3. Attach the pieces of DSP to the flaps.
4. Add die cut/punched greeting to one of the flaps.

Inspiration Sheet - Flap Cards

Card Cousins with similar features in common. (Papercrafting Playdate 181 on June 19th, 2026)

Inside Flip Flap Card

- 5-1/2" x 10-1/2" card stock or two-toned cardstock
- 4" x 1-3/4" coordinating cardstock (cut 3)
- 3-3/4" x 1-1/2" DSP (cut 2)
- 3-3/4" x 1-1/2" Basic White (cut 1)
- 5-1/4" x 4" DSP for card front.
- 4" x 5-1/4" Basic White for inside (cut 2)
- 1/2" x 5-1/4" DSP (cut 2)

Directions

1. Score the 5-1/2" x 10-1/2" card base at 4-1/4", 5-1/4" and 6-1/4" along the 10-1/2" edge.
2. Fold in half on the 5-1/4" score line, then fold on the 4-1/4" & 6-1/4" score lines in the opposite direction. The 5-1/4" score line will be on the inside of the card base.
3. With the card base open and flat attach the (3) 4" x 1-3/4" pieces of cardstock to the 1" score folds. This creates the flaps. Attach 2 pieces top and bottom on the left side and 1 piece in the middle on the right side. Leave 1/8" margin around the edges where these pieces attach.
4. Attach the 3-3/4" x 1-1/2" pieces of DSP on the top and bottom flaps and then the Basic White piece on the middle flap on the opposite side.
5. Attach the 1/2" x 5-1/4" pieces on the outside edges of the Basic White inside pieces.
6. Attach the 5-1/4" x 4" piece of DSP on the card front.
